Good afternoon

All you applicants.
FREEZE

Let's see...
A gang boss... Attempted murder... Bank robbery...

And so on
FLUTTER
Are these all your records?

How stereotypical...
N-NOT AT ALL!!
THAT'S NOT ALL!! I HAVE KILLED COUNTLESS PEOPLE!
AHEM
SO WHAT IF YOU DID?! I KILLED MY WIFE! WITH A SHOVEL!! SMACK!!
SO WHAT?! I BURIED MY FATHER ALIVE AS HE WAS CRYING!!
WHAT THE HELL ARE YOU TALKING ABOUT LIKE IT'S SOME ACCOMPLISHMENT, HUH?!

I HAVE MORE THAN ENOUGH QUALIFICATIONS TO BECOME A DEMON!
LOOK WHO'S TALKING!!
...
Hey, the kid at the far end.
Don't you have anything?
?
?
Did you feed your friend dirt while playing house or something?

PFF

KU KU KU KU KU KU KU KU KU

...Nope.

I'm not a psychopath like those brats next to me.

SAA...
KIK-
SLICE

...!
FLAP
!

You drink it.

Un...?
Drink it?

This balloon is filled with vapor. It's something called 'God's vapor'.

If you drink this, our vapor will begin to flow within your body.

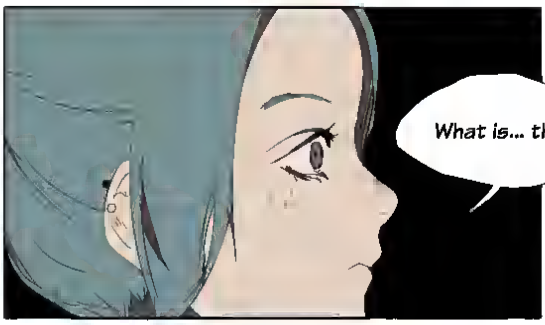
Vapor...
You'll become ona of us. Just as you wanted.
...!!!
N... NEXT IS ME!!!
ME TOO!!!

However, this is the last time you'll see daylight.
If you're going to see the blue sky, that's when you're on the verge of death.
Think you can deal with that?

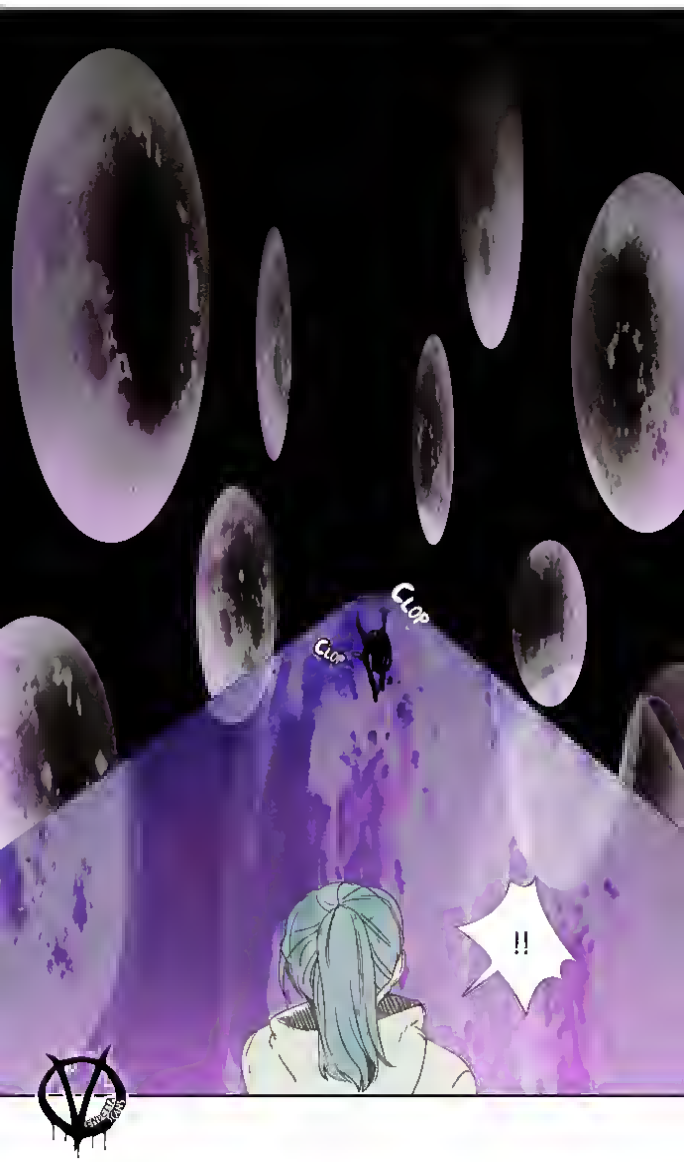
I already know.

...

GULP-
NIHILA

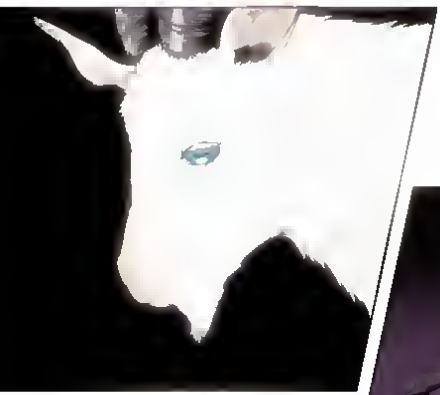


What is... this?



CLOP
CLOP
!!

A goat...?

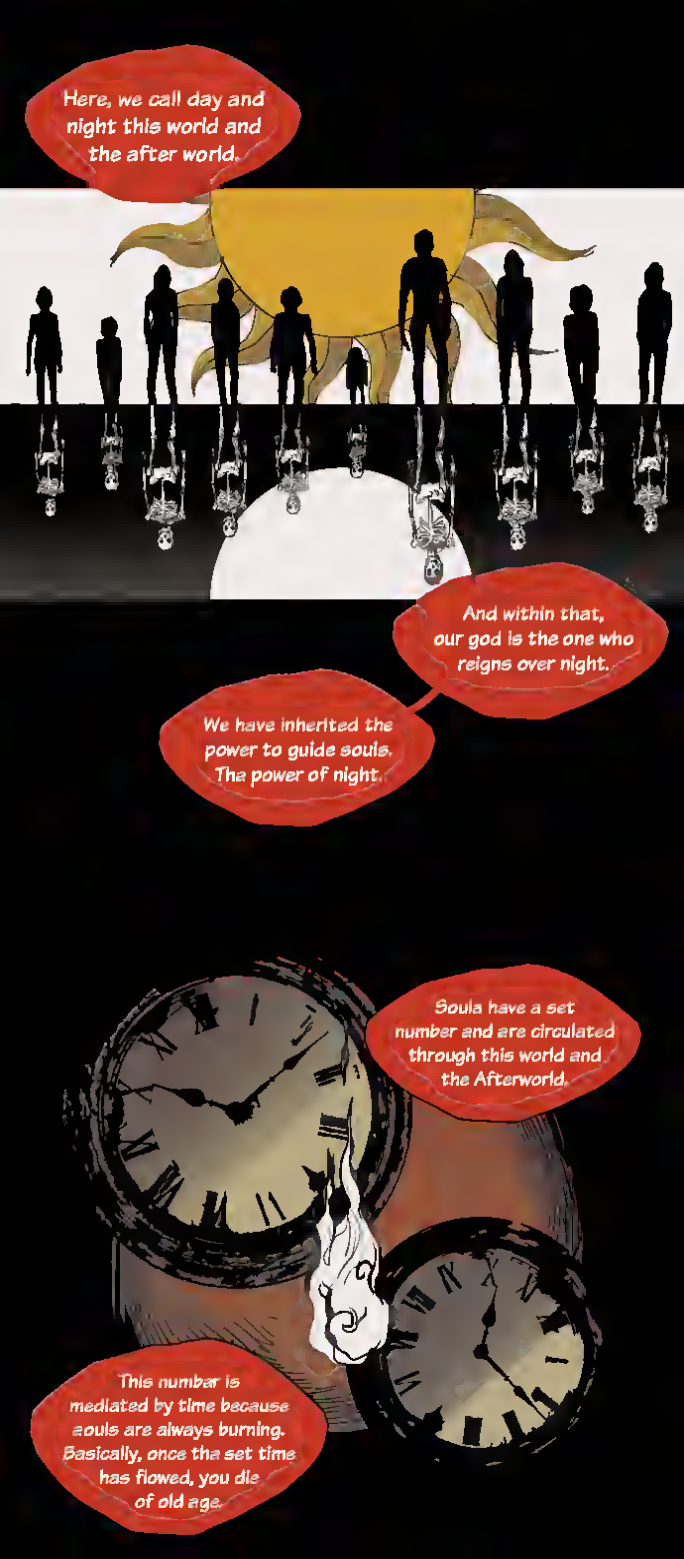


SLITHER

OP
EN
C-COUGH!!
Happy birthday to you~~
AH... AHHH...!! JUST NOW...! JUST NOW A MONSTER...!!

Nothing to be surprised about. You just came back after meeting our god.
...God!
Right. Just now, you were recognized by our god and reborn anew.
With that vapor, you'll grow horns pretty soon.
But before that, you have to learn about the rules of our kind.

Rules...?
Right. Just because you underwent our ritual doesn't mean it's all over.
I'm supposed to also preach to you about our history, but since it's a pain and I don't know it very well, I'll omit that portion.
Well for now, you drank 'God's vapor' and have received permission to become one of God's children.
God's children...?
Allow me to explain basically what God's children are.



Here, we call day and night this world and the after world.
And within that, our god is the one who reigns over night.
We have inherited the power to guide souls. Tha power of night.
Souls have a set number and are circulated through this world and the Afterworld.
This number is mediated by time because souls are always burning. Basically, once tha set time has flowed, you die of old age.

If that's the case, what would happen if one body had several souls?
For our aging bodies, instead of using our own souls, we steal other people's souls to burn. This is for the sake of not aging.
This is how we lessen the probability of our own souls burning out. With two souls within one body, the souls don't burn out as fast.

This is the very reason why we hunt humans.
I think... I have the general gist.
Right. Well, it's simple.
Anyways, the conclusion is that you'll have to hunt humans.
...

And there are words that you must never speak of in front of him.

Do you old men want to be 'De-man' that bad?
Just try and utter those words in front of Ares-nim. Your heads will go flying faster than the speed of light.

We're seriously God's children.
We're not some kind of criminal group.

Hey pretty miss, what's your name?
Mindy-mindy.

Well then Mindymindy, why don't you start hunting now?
Don't spare a single one of these guys.

♬
Hey,
Do you like hide and act all ethical?
To begin with, this is what Bell ordered me to do, no?

... I don't want to do this kind of work.
Look at that kid. Though she's younger than you, she volunteered to come to this place.
You think such a young kid would be able to make rational decisions?
Ha-
Lucy.
When are you going to face reality?

...Be honest. Did someone promise to come rescue you?
SNICKER
SNICKER
Hm? Is it something like that?
About that...
It's best not to have any expectations.
Since the only place you can go around with those horns of yours is here.

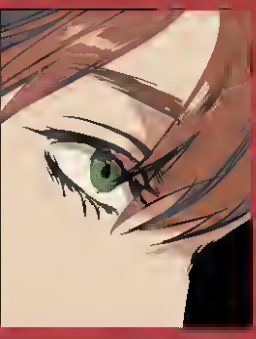
PRELUDE | 서막

You two look much better as a pair.

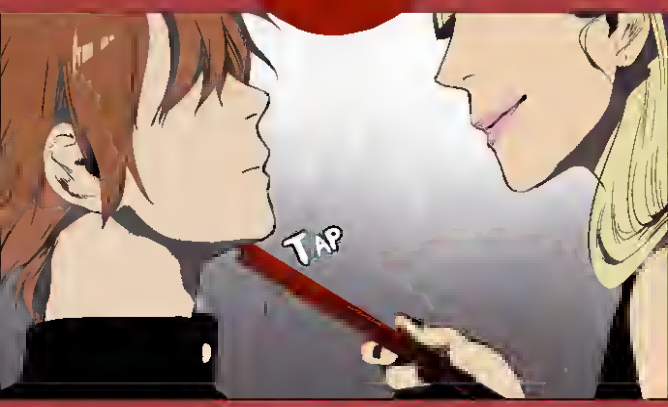
That White fellow, he has eyes for this kinda stuff...

But anyways...
Lucy.

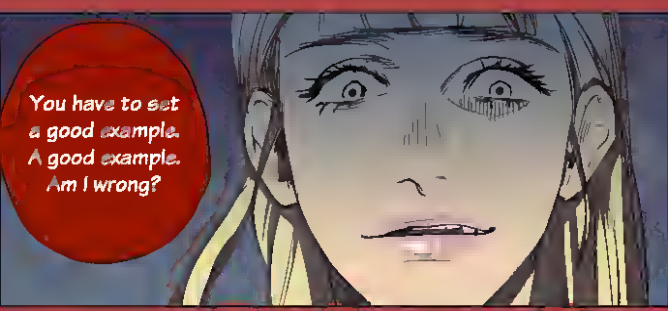


...!

You should now understand after having attained such a cute hubae, no?



You have to set a good example. A good example. Am I wrong?



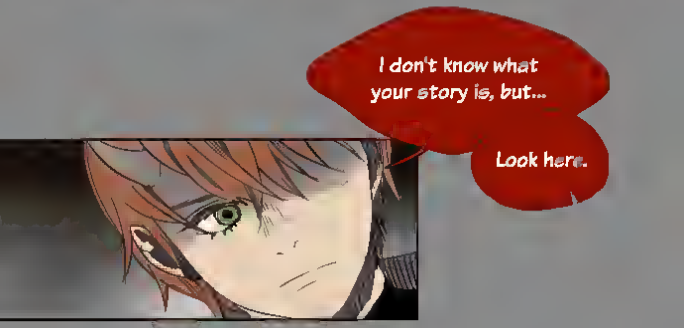
As I thought.
Lucy, you better
come back with a
successful hunt.

My god...
This is the
craziest outfit
I've ever worn.

Well anyways,
basically, we have
to successfully
hunt some humans
and return,
right?

...Is that what you really want to do?
?

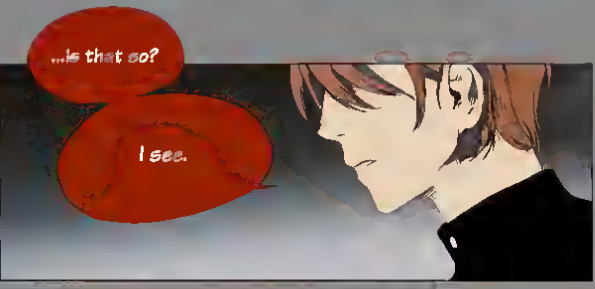
Will you really murder?
Now that it's come to this, what are you intending to do? You're still young...
?!



I don't know what your story is, but...
Look here.

Do I need some kind of elaborate story? It's much better to be a child of god than a human.
You should know just how fierce the competition is to become a child of god yourself.

But well...
Even I didn't think I'd become a child of god with such ease...



...Is that so?
I see.

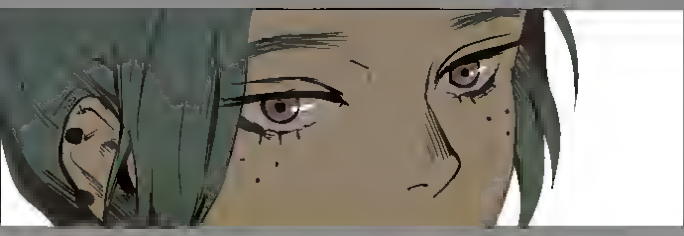
But...

what's really strange is you.

Why are you asking me this as if you're not a child of god?

Then what ARE you? Why did you become a child of god?

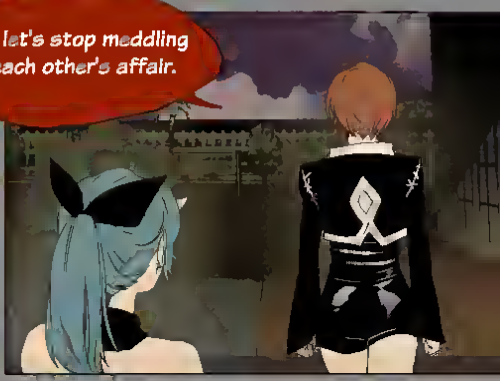
...



...Well.

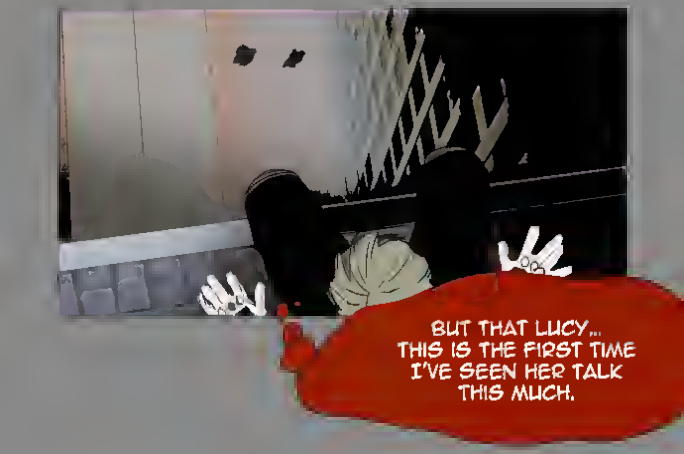
At the very least,
I know the reasons why
they made us into children
of god. Don't think too
hard about it.

Now let's stop meddling
in each other's affair.



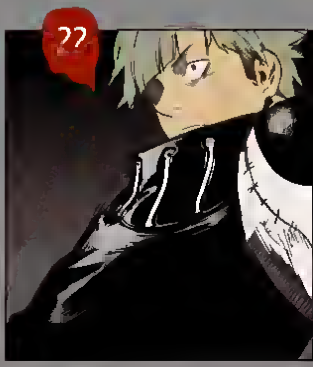
What? Boasting like that...
What are those guys doing...
Chattering away like that. When the hell are they going to hunt?

That bitch Caleb, and of all people, I was even waiting for her too...
HEY YOU USELESS BUM! STOP LAZING AROUND AND GO KEEP AN EYE ON THOSE TWO!
Noonim, please forgive me.



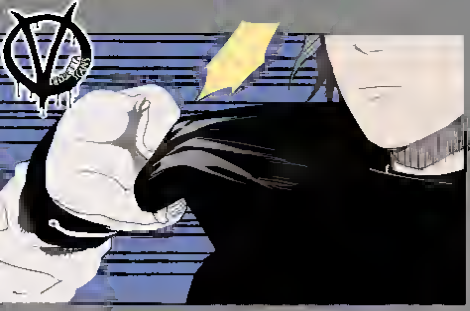
BUT THAT LUCY... THIS IS THE FIRST TIME I'VE SEEN HER TALK THIS MUCH.

As I thought. Having friends of the same age is great...
APPEAR
AHAHAHAHAHA!!!



W-What the... A human??
How could a measly human possibly come here...?!
I am not a human.
Huh??

Huuuh??
Did ya lose your horns too??
Huhu, to be honest this body of mine also lost a horn.
You see, some guy just blew it off with his gun and...
BRAG
BRAG
But to tell the truth, with my nifty skills...
Hm??
IT DOESN'T SEEM LIKE HIS HORNS WERE CUT OFF...



POGO

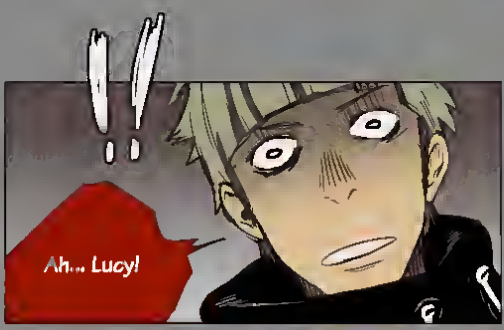
THESE REALLY ARE DESIGNER BRAND POGO THOUGH!!
S I R E T C H
YOU EVEN HAVE THE TEETH!!

HUH... THIS SURE IS STRANGE.
BUT HE SEEMS TO BE AROUND MY AGE...
Hey.

Go shuttle some bread for me!

What's that?
??!!
DON'T ACT LIKE YOU DON'T KNOW!! HOW COULD YOU POSSIBLY NOT KNOW THAT!
GR
AB!
THEN ALLOW ME TO EXPLAIN!! I GIVE YOU $1 TO GO BUY SOME BREAD!!
THEN YOU COME BACK AND GIVE ME $5! THAT'S HOW YOU SHUTTLE BREAD!!

FOR SOME REASON, I HAVE A FEELING I SHOULDN'T PUSH HIM ANY FURTHER THAN THIS...



!!
Ah... Lucy!

Whish-
TH-THEY'RE GONE!! THEY'VE DISAPPEARED!!
AH, BECAUSE I WAS DISTRACTED BY YOU, I LET THEM GO!!

KHHHHHH!!!
WHAT ARE YOU GONNA DO ABOUT THIS YOU FREAKING IMBECILE!!
What's an Imbecile?
SHUT UP WILL YA?!!
... Are you searching for the pair from earlier?

THAT'S RIGHT YOU BASTARD!!

Seeing as you don't know me, I guess you bought a vapor balloon from some other dealer, but...

I'm the one who blew the vapor in all those balloons.

That's the duty of the 3rd generation, you see. So there should be no case where you 4th generations don't know me. Understand?

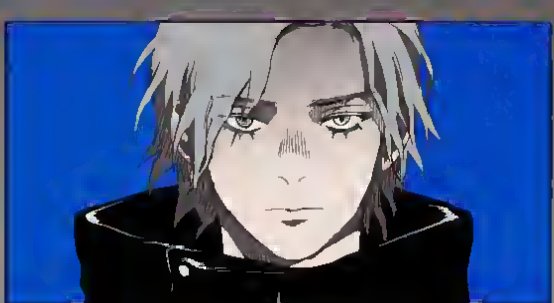
WHAT THE HELL WAS THAT FOR?!!

You...
It's not like you'll die if you don't have a soul this instant...! You crazy?
The one who's crazy is you, Lucy.
You're freaking crazy since you're asking to be executed.
Is this what a child of god would do in front of their prey?
DOM

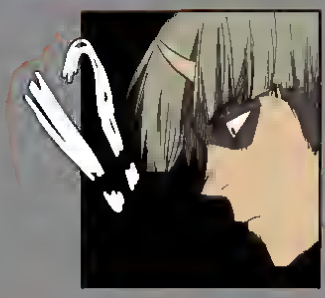
White...
If you keep pulling this kind of shit, I won't let it slide any longer.
These two are prey anyways. If you don't like being a child of god, go out in daylight and fucking die.
I'm...
Enough.



What are you people doing?

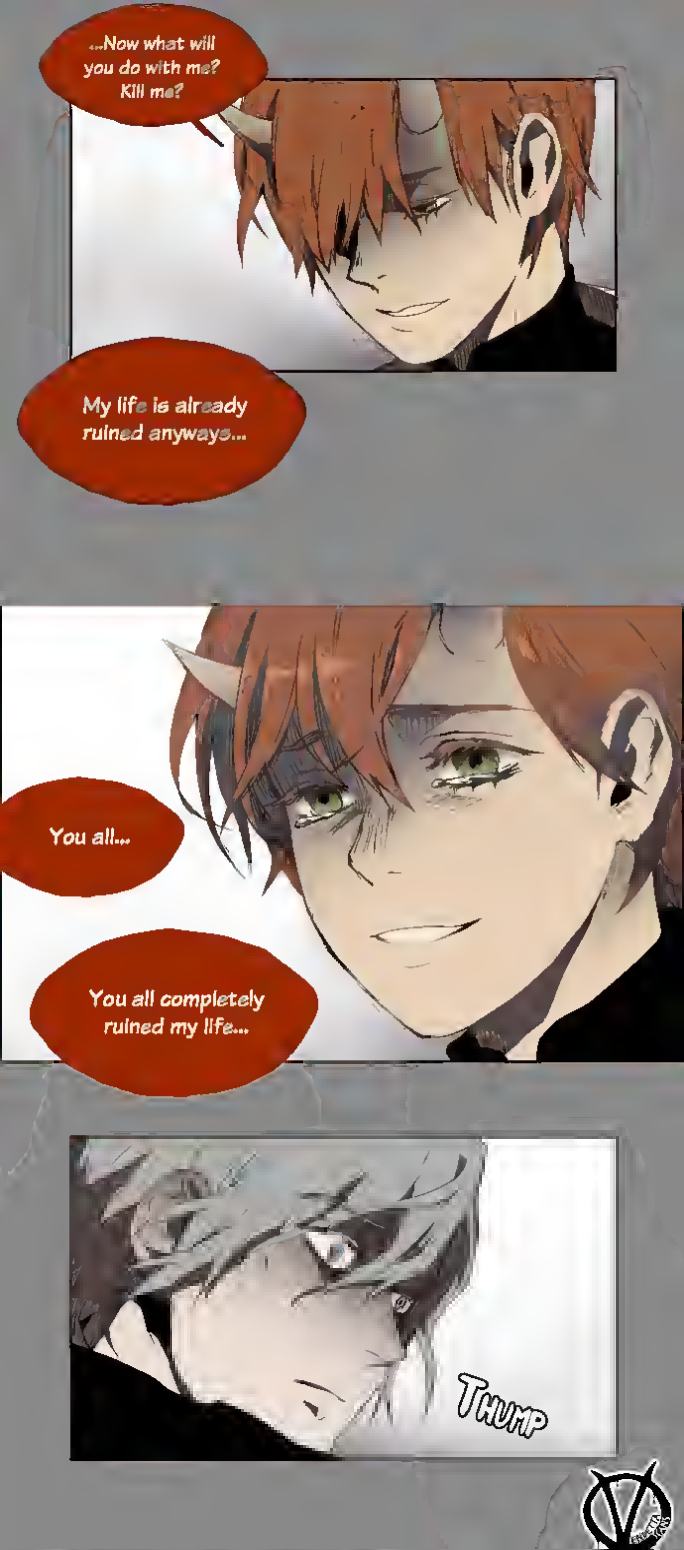
15

HEY BASTARD!!
DON'T BUTT IN!!
Lessa...?!



W-Why are you here...?!

Is something wrong with my ear...? Just now I swear I heard you call that guy 'Lesan'...
You must have come to execute me, right...?
Don't Ignore Me!!
I see...
I knew this time would come eventually.
I'm not a child of god... I don't respect what your kind does.



...Now what will you do with me? Kill me?
My life is already ruined anyways...
You all...
You all completely ruined my life...

Sorry for barging in.
IGH!! LYON~?!
...??
Wh-What the hell is this. There isn't a hidden camera or anything, right? And who is that guy over there...
Ah that bastard over there? He's a damn...
Second generation.
Though he came in later than me...

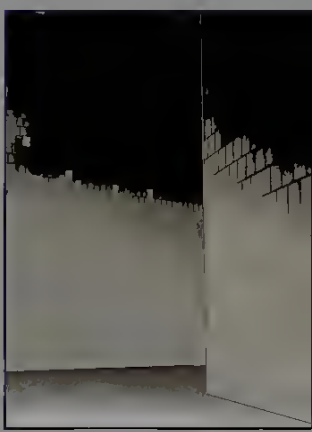
Before you complain about that, why didn't you attend the meeting?
Hoo!
!
Isn't it a little harsh? Not even recognizing Lessa-nim's face...
That's so disrespectful.
So this guy is really Lessa-nim ...?

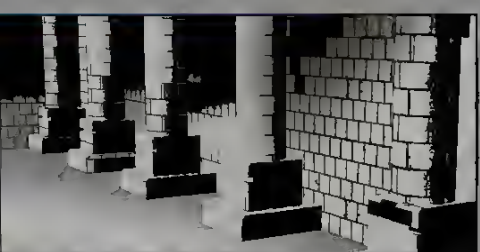
Lassa-nim. You shouldn't stay here. Let us return.
Ares...

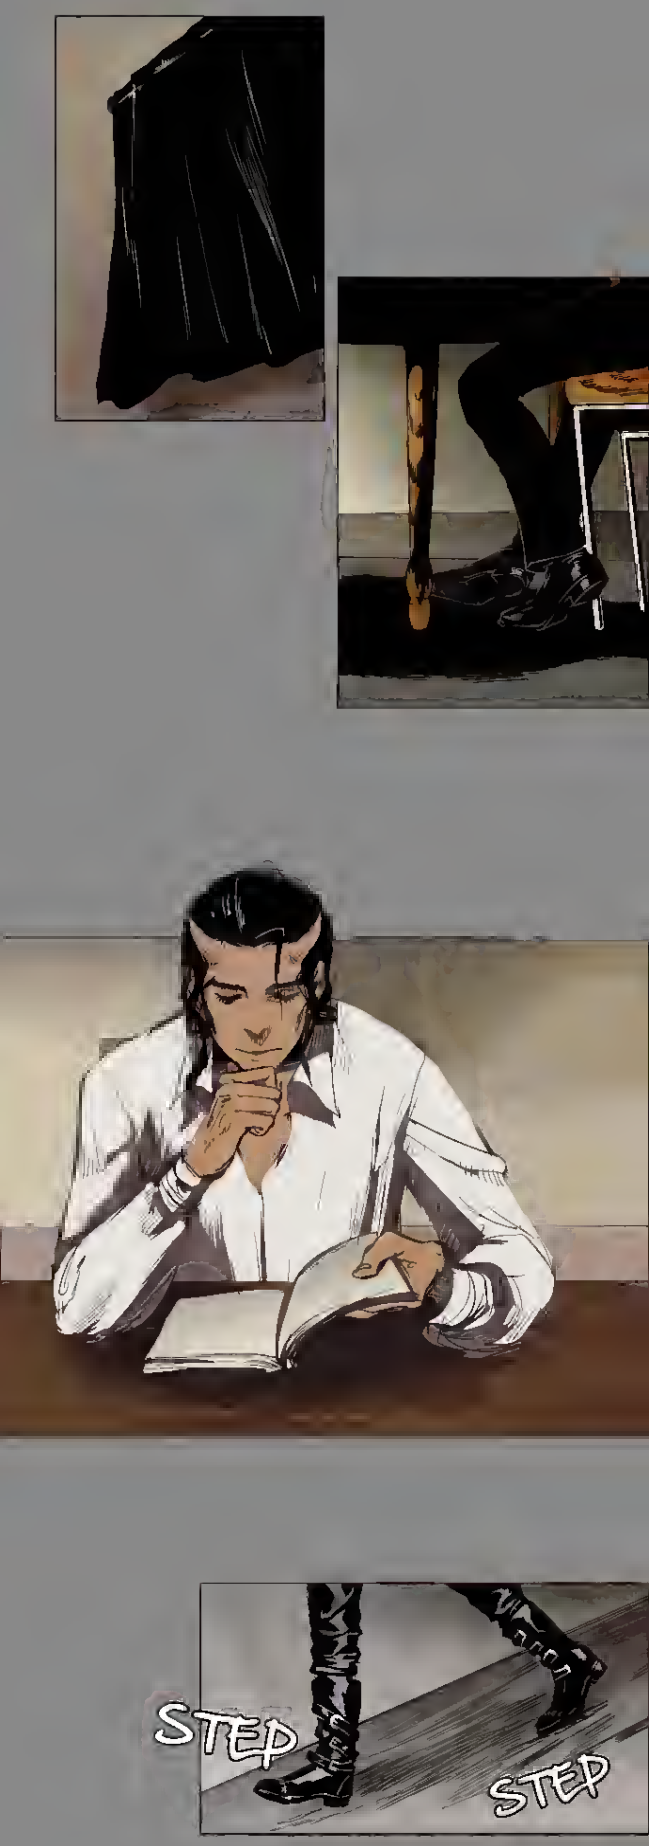
...Excuse me?

I must meet Ares immediately...

CHIRP-
CHIRP-







STEP

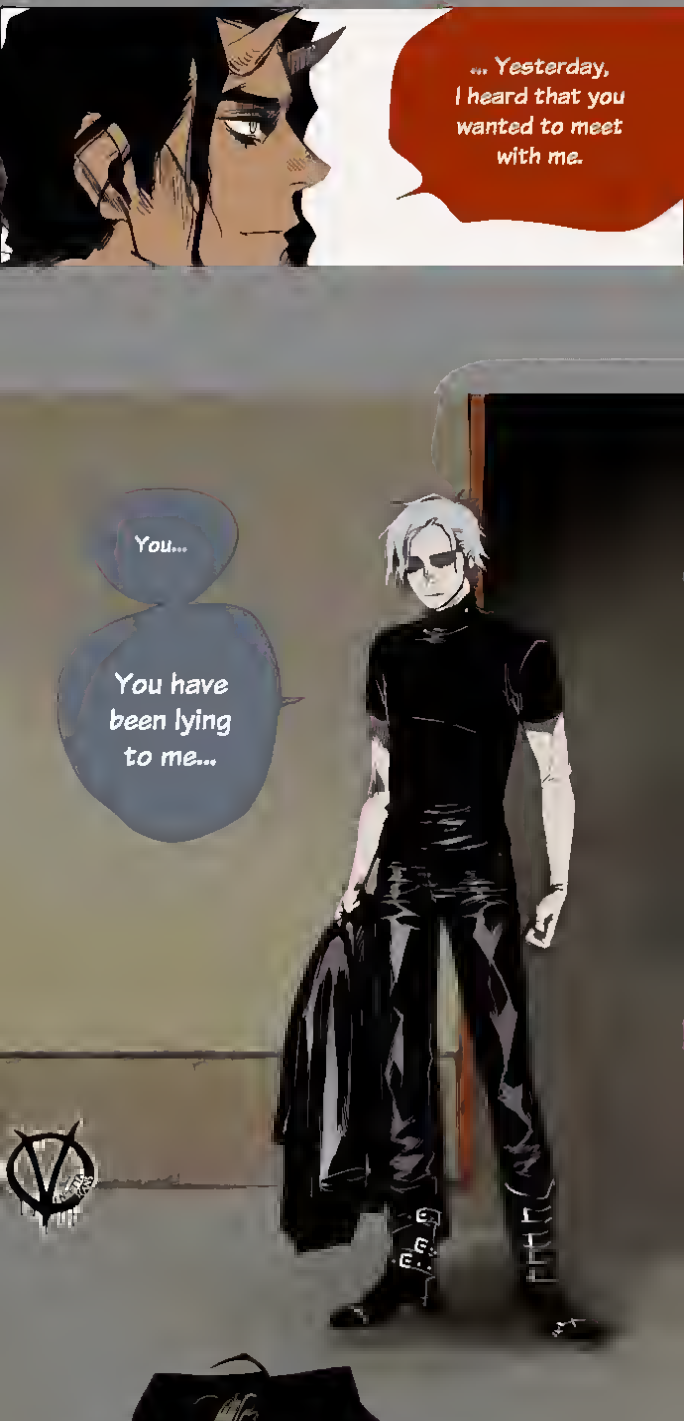
SLAM!
Ares.
Ah, have you come?

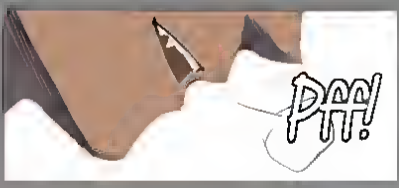


... Yesterday, I heard that you wanted to meet with me.
You...
You have been lying to me...

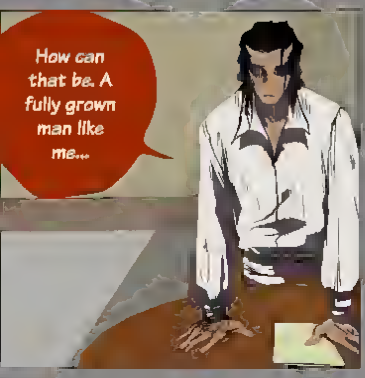
What are you talking about?
Didn't you say those people were worshipping me?
But you... You set a price on my strength and sold it.

Why have you done this...

Is this because you want materials such as a jeweled ring...?

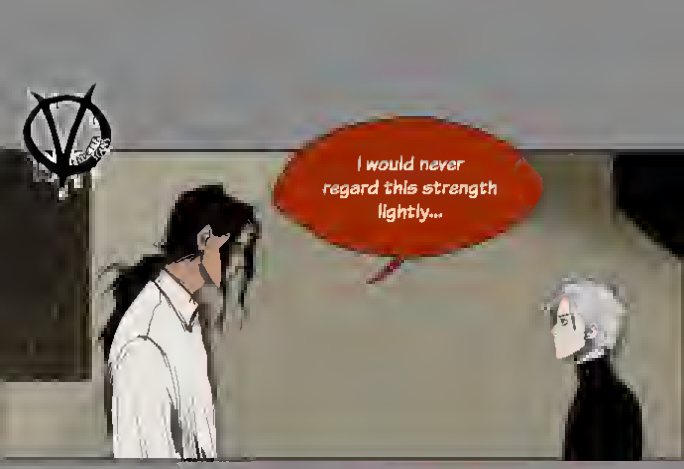


PFF!



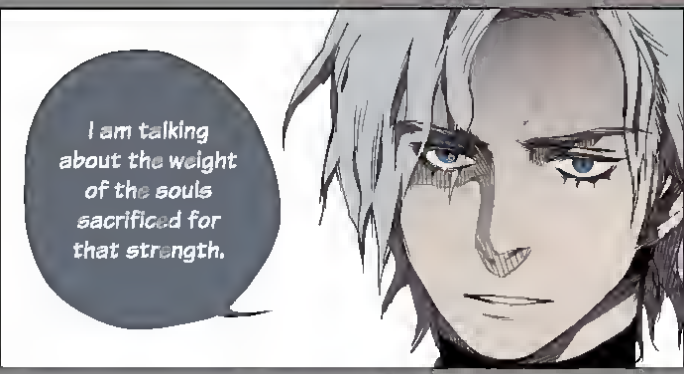
How can that be. A fully grown man like me...

Don't think about this matter too hard. What is money?
It is something that humans treasure most.
Look at how they pay such large amounts this easily. Isn't this because of their full trust in you?
Ares...
No matter how I see it, the strength I only bestowed on you...
You regard it much too lightly...



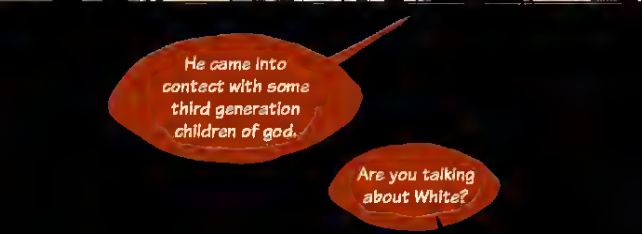
I would never regard this strength lightly...

No...
Clench



I am talking about the weight of the souls sacrificed for that strength.

I have escorted Lesaa-nim back to the castle.
Where did he go today?
...Um, about that...



He came into contact with some third generation children of god.
Are you talking about White?

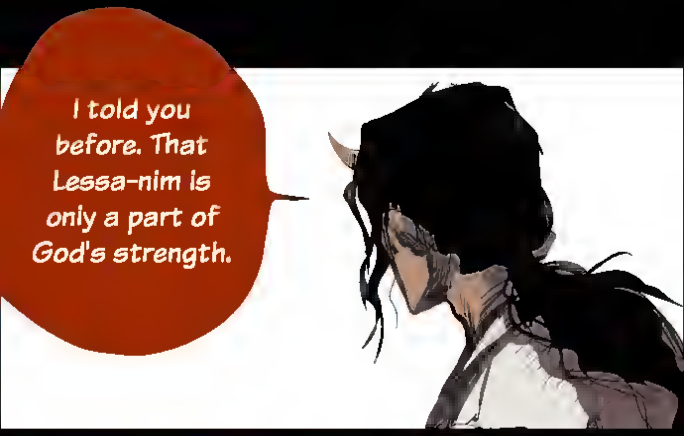
Yes. But... It seems he wanted to stop the hunting of humans.
And what I consider vital is the fact that...

This isn't the first time he has done this.
He has already saved many humans from the children of god.
Ares-nim...
Why...
Why is Lessa-nim behaving like this?

Could...
Lessa-nim have...
Abandoned us?

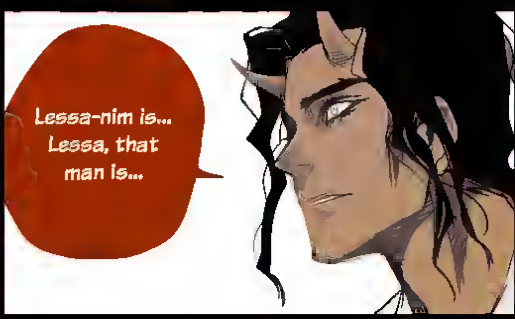
Tap
Lyon.
You should have seen God during the time you turned into a child of God.

If you're a child of god, then please follow god.



I told you before. That Lessa-nim is only a part of God's strength.

Ah, yes...
Then allow me to explain more precisely.



Lessa-nim is... Lessa, that man is...

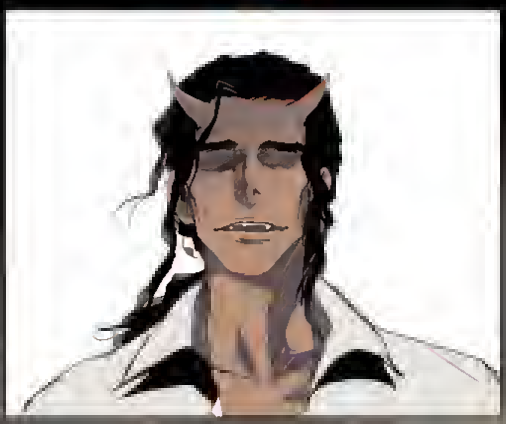
Just a
simple
balloon
..!!

Do you now understand...?

If you get it, for the time being, you just need to carry out my orders.

... YES...
FOR THE TIME BEING...

...Understood.



What you said is undeniably true.

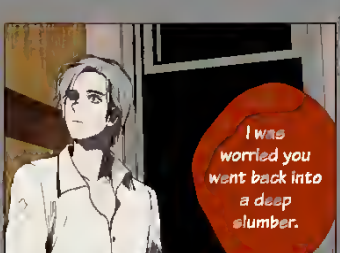
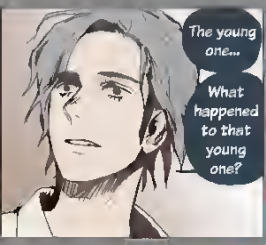
Oh, so you have awoken.



I was worried you went back into a deep slumber.

How does your body fare?

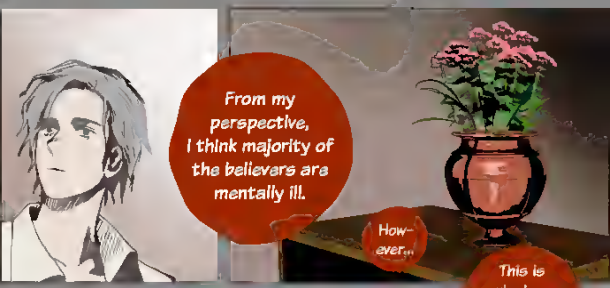


The young one...
What happened to that young one?

Young one...?

Ah! You mean White.

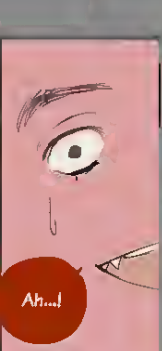
He seems to have offended you deeply.
Please understand. He always had a short temper.

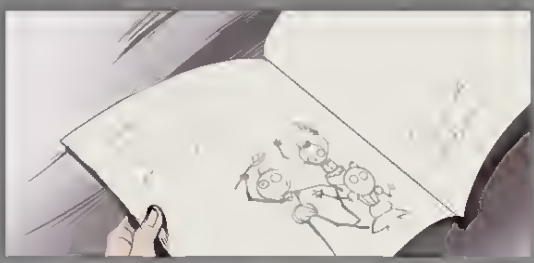


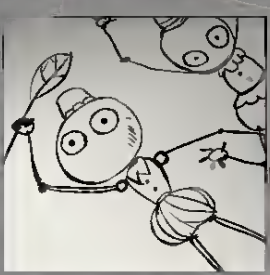
From my perspective, I think majority of the believers are mentally ill.
However...
This is why I see Ares-nim as such a great being.

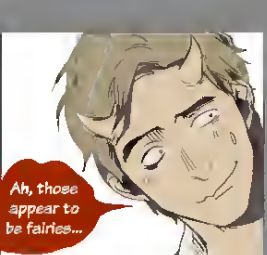
He doesn't just take in those who are hurt and takes care of them...
He also gives them a chance at a new life.

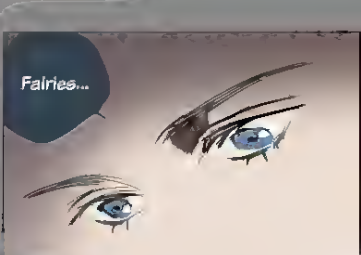
You can't do that!











SO THERE EXIST BEINGS
I AM NOT AWARE OF.

Hgh...
Kgh...
I told you.
Ooh...
I told you that if you dirty my reputation again...
I'll turn you into dog food.

Listen.
Parents are but an illusion.
Sharing the same blood means absolutely nothing.
If not, why would they have thrown you aside like this?
The only thing you receive in this world is 'inheritance'.
Everything depends on what you inherited from above.

So all of you... What have you inherited?
Hunger...?
Grief...?
STARTING NOW, I WILL LET JUST ONE OF YOU LIVE. WE'LL TAKE THAT ONE UNDER OUR WING.

Quite so.

Wh-What was so entertaining?!

The beans were pretty...
You mean fairies...

And it was grest how it ended so happily.

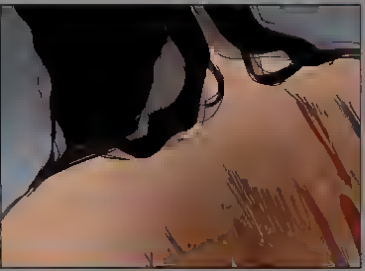
Ryan Anderson
Um... Then I shall take my leave now.

Next time I'll bring over a different book.

To read a fairy tale that seriously...
Lessa-nim sure is strange.

This place doesn't suit him.

Ares-nim!
Lessa-nim has awoken!



You seem to be in high spirits.

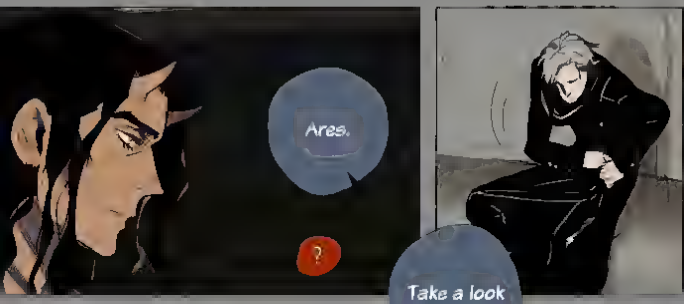
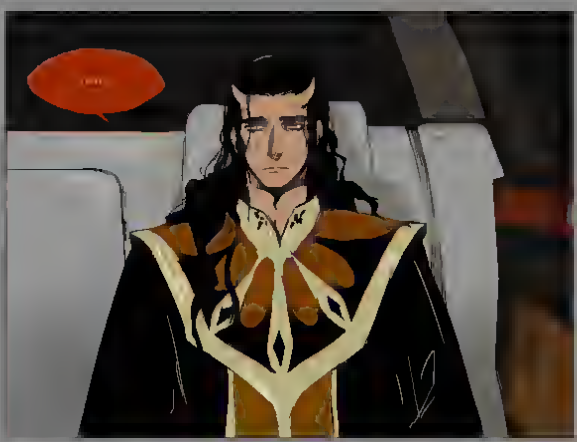
VROOOOM

VROOM



Ares.
?
Take a look at this.

Something strange appeared here.
It's a wound, but it doesn't heal for some odd reason.

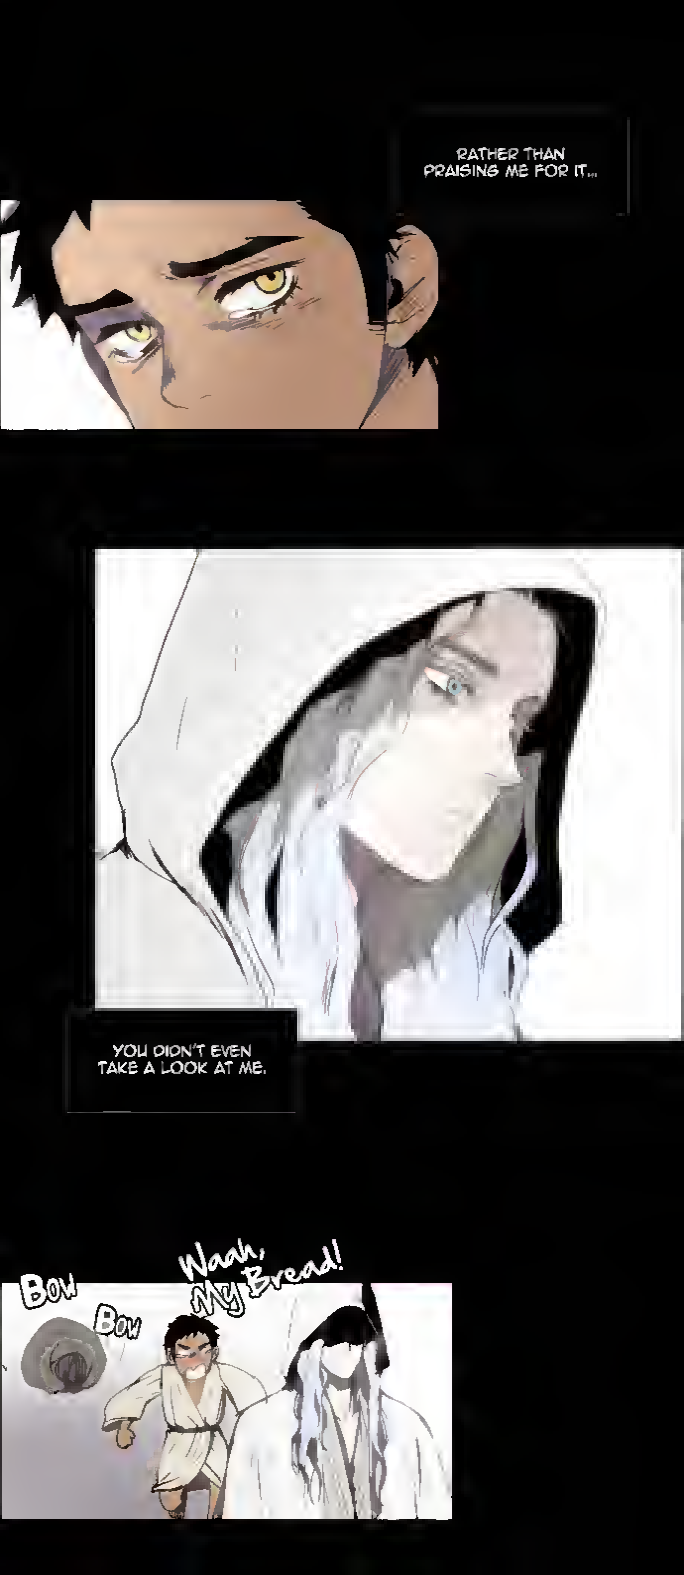


Lessa-nim.
?
Why are you always so cold to me?

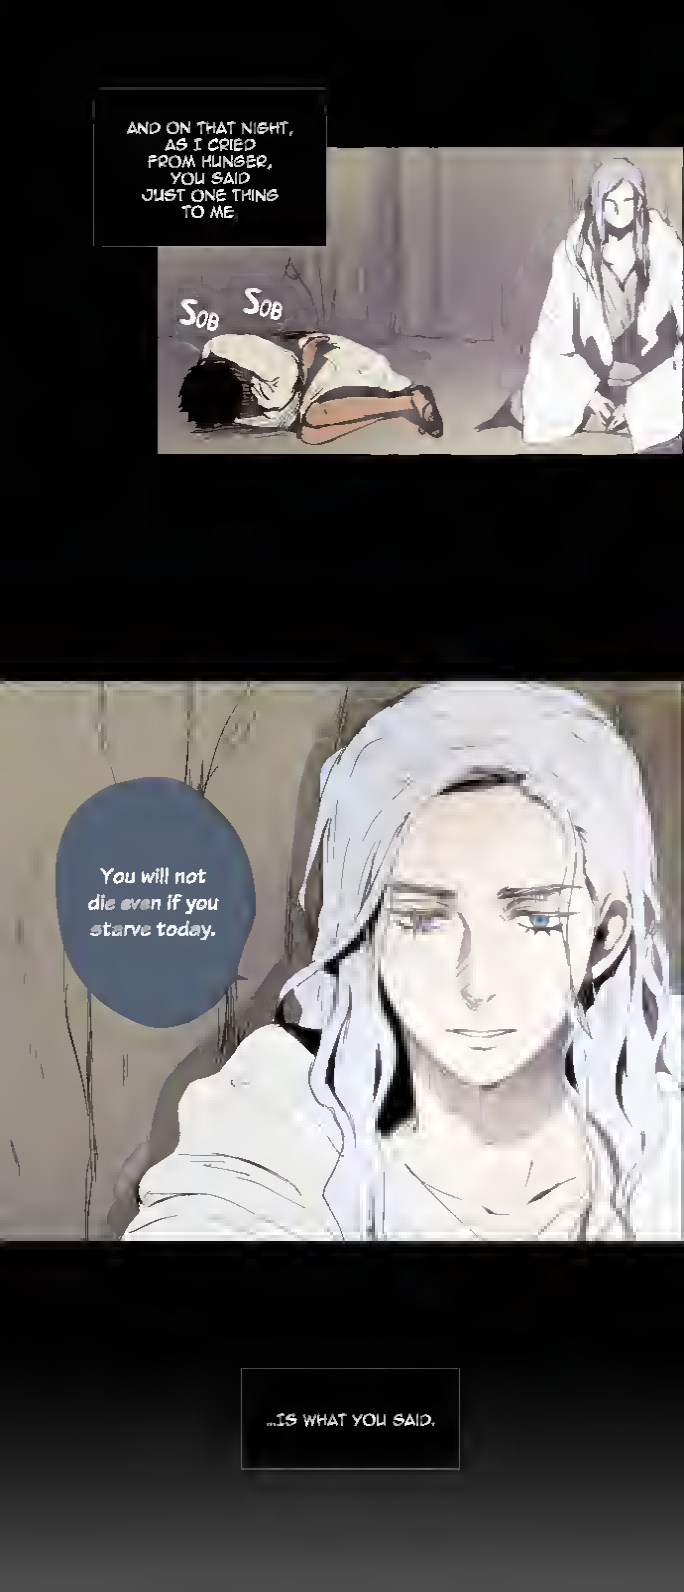
What do you mean?
I'm talking about everything.
Whether it is money...
Clothes, where I sleep, where I rest...
Even what I eat.
You're repeating what you said to me when you were young.

So it seems. Do you remember? When I was young...
You made me hand over the bread I was eating to some beggar by the roadside.

THE MEAL I WORKED SO PAINSTAKINGLY TO EARN.

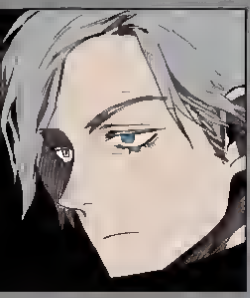


RATHER THAN PRAISING ME FOR IT...
YOU DIDN'T EVEN TAKE A LOOK AT ME.
Bow
Bow
Waah, My Bread!

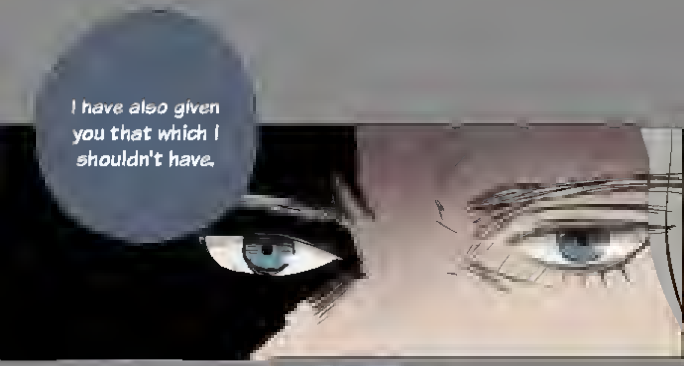


AND ON THAT NIGHT, AS I CRIED FROM HUNGER, YOU SAID JUST ONE THING TO ME
SOB
SOB
You will not die even if you starve today.
...IS WHAT YOU SAID.

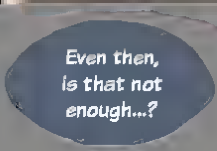
Yes.
So did you die from starvation?
Do you not understand why I made you do such a thing? You are even bigger than me now. You are now a big Ares.
I understand. Of course I understand.
But why isn't my disappointment fading away?



Ares.
Don't look only at the small things.
Not only have I given you everything.
CLENCH



I have also given you that which I shouldn't have.



Even then, is that not enough...?

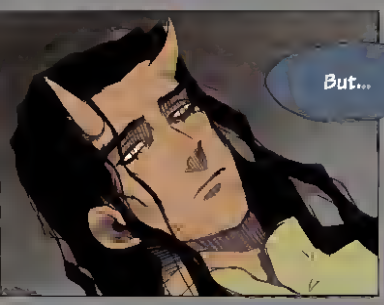
No.

Not at all.

Since now, you have truly...
Given me 'Everything'.

..Every-thing...?

Don't tell me, you... What have you done?
What have you done to me...?
So that's why my wounds are unhealed...



But what method could you have possibly used...?!

Lessa-nim.

However, since you do not trust me...
GU
GU
GU
GU
You have brought this upon yourself.

B

O

O

O

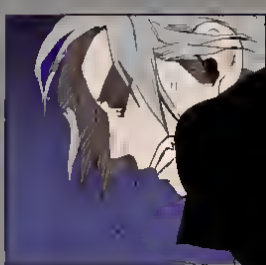
O

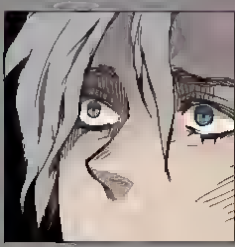
My beloved believers.

The 'God of Darkness' you all believe in has thrown away his olden body.

And now, he dwells within me, Ares!

CHATTER





Oh... Oh my...

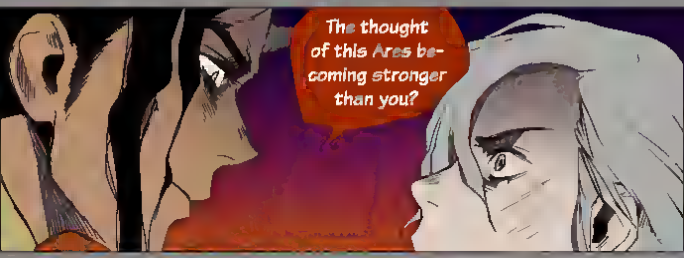
Oh great Lessa...

This is the first time I have seen you like this. That face struck with fear...

GRAB

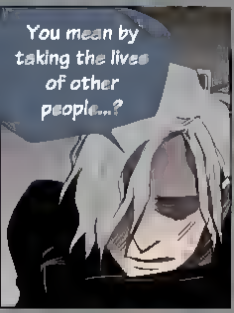
Weren't you the type of person to stay calm even when I die?

What could you possibly be afraid of...?



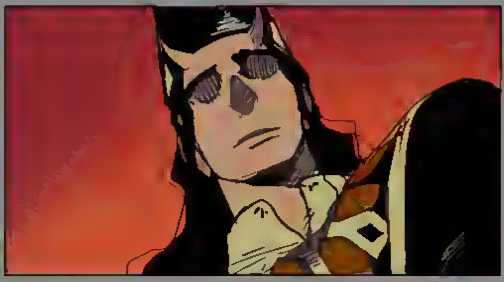
Huhu, do not worry.

Instead of a failure like you...



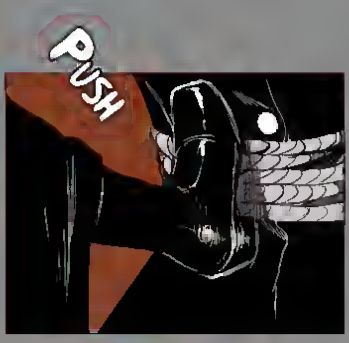
You mean by taking the lives of other people...?

You have truly disappointed me.

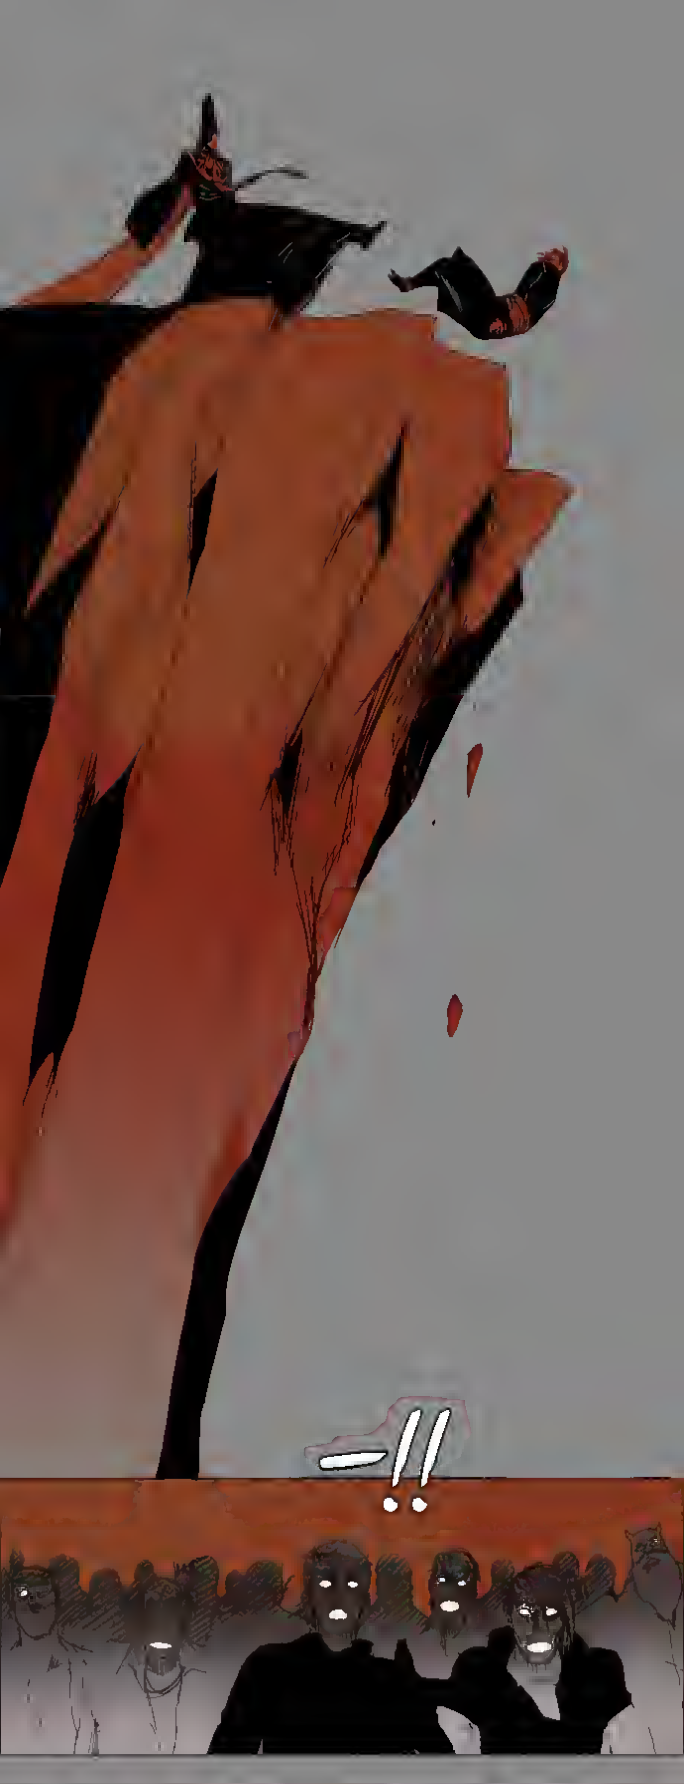


DRAG
DRAG

WHOOOOSH
I have disappointed you...?
What could you have possibly expected of me to be disappointed?



Farewell.

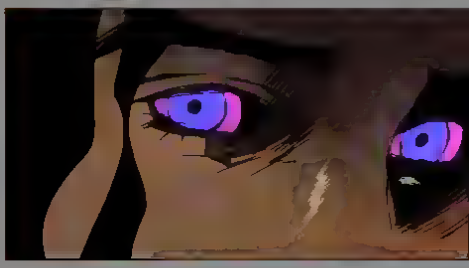


OH ARES!! SHOW US PROOF THAT YOU ARE NOW GOD!
RIGHT!!
RIGHT!!
DO YOU REALLY THINK WE'RE THAT NAIVE?! SHOW US PROOF YOU'RE GOD!!
BO
UGH!
DM
SHHHHH...

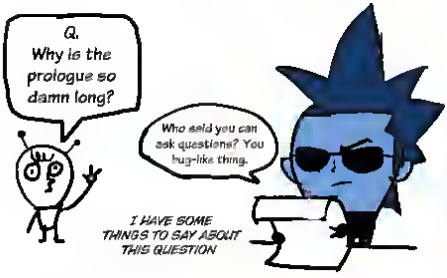
Is there...
Any objections?

WHOOOOOSH

Then...



I once again welcome you for becoming my citizens.



Q.
Why is the prologue so damn long?
Who said you can ask questions? You bug-like thing.
I HAVE SOME THINGS TO SAY ABOUT THIS QUESTION

TO BE HONEST, IT DOESN'T EVEN MATTER IF YOU'RE CONFUSED. THE PRELUDE IS SUPPOSED TO HAVE A LOT MORE ORIGINALITY TO IT THAN THE OTHER PARTS.

ALSO...
I DON'T REALLY HAVE MUCH TO SAY SO I BROUGHT OVER SOME OF MY OLD WORKS.

LESSA

Q. Please gender bend Lessa. Also add some makeup

I SHALL GRANT YOUR WISH.

POOF

I'm supposed a real bastard, but since it's a new year, I'll do something nice~
Ruff
Ruff
I SEEM TO BE LABELED AS 'BAD GUY' BUT SINCE IT'S A NEW YEAR I'LL DO SOMETHING NICE...

ALSO, I HAVE SOME OTHER NEWS. I'M NOT LEAVING RIGHT AWAY, BUT I WILL BE HEADED TOWARDS KOREA SOON. I HAVEN'T SPOKEN KOREAN IN SO LONG I HAVE TROUBLE SPEAKING IT AND HAVE FORGOTTEN THE LANGUAGE. HOWEVER, PUTTING THAT ASIDE, I MOST DEFINITELY WILL HAVE TO EAT SOME DUMPLINGS AND CHAPCHAE. ARE YOU READING THIS MOM? I'M JUST JOKING, I'LL BUY AND EAT EVERYTHING ON MY OWN.

WELL THEN, GOOD BYE.
